

Presented by the Twin Beach Opioid Abuse Awareness Committee and Calvert County advocacy partners.

International Overdose Awareness Day

Glow Vigil

Wednesday, Aug. 31 • 7:30-9 p.m.
North Beach Pavilion, North Beach

Join us as we honor the memory of our loved ones lost to overdose death.

International Overdose Awareness Day is a global event to raise awareness that overdose death is preventable and to reduce the stigma associated with drug-related death. This day also acknowledges the grief felt by family and friends remembering those who have died or had a permanent injury as the result of a drug overdose.
